Flexim roof mortar red

Article number: 8015050020

MAGE
Damit Macher machen können.

Product overview

MAGE Flexim Roof Mortar is a ready-to-use roof mortar for maintenance and repair work. Thanks to its low weight and excellent processing properties, it can be used easily and effortlessly for laying ridge and hip tiles as well as on verge and pent roof edges.

- Permanently flexible
- High adhesive strength for storm-resistant constructions
- Immediately water-repellent
- Practical portion strips for easy processing
