Damit Macher machen können.

Product overview

The walkway and ladder support is a universal set consisting of a support, a retaining shell, and fastening materials for safe climbing on sloped roofs.

- Cranked for 40 x 60 mm battens
- Weather-resistant, durable, and corrosion-resistant
- Infinitely adjustable mounting bracket
- Tested in accordance with the currently applicable standards and guidelines DIN EN 516
- For roof pitches from 15° to 60°
- Can be used for plain tiles, clay tiles, and concrete roof tiles
