Damit Macher machen können.

Product overview

The single step unit is a universal complete system consisting of a support, a step shell, and fastening materials for safe climbing on sloped roofs.

- Cropped for 40x60mm battens
- Weather-resistant, durable, and corrosion-resistant
- Infinitely adjustable mounting brackets
- Tested in accordance with the currently valid DIN EN 516 standards and guidelines
- For roof pitches of 15°-60°
- Suitable for plain tiles, clay tiles, and concrete roof tiles
