Damit Macher machen können.

Product overview

The WinEx N-BG is a roof exit window for cold rooms. It meets the requirements of statutory accident insurance for the construction industry and construction-related services.

- Quick and easy installation • DGUV tested • Made of spruce wood encased in powder-coated aluminum profile and aluminum flashing
- Double glazed • Handle with locking stages for room ventilation • Opening lock prevents the window from closing on its own • Window sash can be attached on both sides • EPDM connection apron with integrated adhesive tape • Suitable for all common roof coverings with roof tiles and roof shingles
